

Corrigendum

1. Page 6, paragraph 11 (Summary of the problem), (3), first line, replace "The Reserve Account is at such a nature," by "The Reserve Account is of such a nature,"
  
2. Page 7, paragraph 14 (Method of assessing contributions), third line, replace "That the principle of free choice of class of contribution should be maintained and that the existing scale of contributions should be expanded to comprise classes ranging from 1 to 60 units;" by "That the principle of free choice of class of contribution and the existing scale of contributions ranging from 1 to 60 units should be maintained;"
