

Noting the increased importance of the role of the Organization in peace-keeping and, in this regard, recalling paragraph 8 of its resolution 45/75 of 11 December 1990,

Having considered the report of the Secretary-General on the analysis of the financial situation of the United Nations,¹⁹ and the related report of the Advisory Committee on Administrative and Budgetary Questions,¹⁷

Noting the improvement in the level of the short-term deficit of the Organization, which it is estimated will be reduced to 260.7 million United States dollars as at 31 December 1990,

Concerned at the precarious financial situation of all peace-keeping operations and noting that troop-contributing Member States, including the developing country troop contributors of past and present peace-keeping operations, have borne most of the burden of the deficit,

Noting with concern the long delays in payment and the partial and non-payment of assessed contributions to past and current peace-keeping operations,

Reiterating earlier appeals to Member States, without prejudice to their position of principle, to make voluntary contributions to the Special Account referred to in annex VI to the report of the Secretary-General on the analysis of the financial situation of the United Nations,

Considering the views expressed by Member States in the Fifth Committee during the forty-fifth session,¹⁸

1. Urges all Member States to meet their financial obligations under the Charter of the United Nations by paying promptly and in full all assessed contributions, including advances to the Working Capital Fund and assessments relating to peace-keeping operations;

2. Expresses its appreciation to all Member States that pay their assessed contributions in full in accordance with regulation 5.4 of the Financial Regulations of the United Nations;

3. Requests the Secretary-General, in addition to sending official communications to the permanent representatives of Member States, to approach, as and when appropriate, the Governments of Member States for the purpose of encouraging the expeditious payment in full of all outstanding assessed contributions to all peace-keeping operations, as well as seeking further voluntary contributions for peace-keeping operations;

4. Also requests the Secretary-General to include in his report on the financial emergency of the United Nations, on a regular basis, a detailed analysis of the financial situation of the Organization, including reimbursements owed to Member States for their participation in peace-keeping operations;

5. Takes note of the proposal of the Secretary-General for an increase in the level of the Working Capital Fund²⁰ and the observations of the Advisory Committee on Administrative and Budgetary Questions in this regard¹⁷ and decides to revert to this matter, if necessary, at the forty-sixth session;

6. Requests the Secretary-General to submit a report on the financial emergency of the United Nations to the General Assembly each year by 10 October, including therein the results of his efforts in implementation of paragraph 3 of the present resolution.
